| Summary of Matter or Issue Requiring Decision | Highway Authority response to planning application ND/57503/2014, land at Raleigh park, Barnstaple. |
| Decision Taken | Approved |
| Summary of Reason(s) for Decision Taken | |
| Summary of Alternatives or Options considered and rejected | <p>The only alternative to accepting the highway drainage system proposed would be to seek a redesign, or recommend refusal. SWW and the EA have both accepted the design. There is therefore no evidence base on which to seek to reject the proposed drainage strategy.</p> <p>The alternative to accepting the right turn junction is either the developer agreeing to provide signals, which he is not prepared to do, or to recommend refusal. The consequences of that approach are set out above.</p> |
